**Special 10-day sale for Chamber members only...**  
**Start the New Year off right... Give your business**  
**a website for Christmas for only \$295 \***

My name is David Burch. I'm a new chamber member and I've been building websites for over eighteen years. I know how to build the best website for the lowest cost, and I'd like to build a website for your business.

Let's get started. It's as easy as 1-2-3.

**Step 1:** Call me at **749-3300**. We'll talk about your needs and choose the look you want for your website.

**Step 2:** After payment is received, you will send me electronic versions of your logo and marketing materials (enough material for 3-5 pages). I'll email you a form to fill out to gather more information about your business.

**Step 3:** I build your website, send you the login information, and a personalized "getting started video" where I show you how easy it is to edit articles on your website.

**That's it. After that you will have a website for your business.**

**And I won't leave you stranded.** If you get stuck making changes to your website, you can ask for help in the private support forum. Occasionally, I'll offer group Q&A calls or in-person meet-ups at the Java Loft where you can ask me questions in person and discuss other ways you can leverage the power of the Internet. Each month, I will back up your website, install software updates, and perform other preventative maintenance.

**\* Terms and Conditions**

This is a limited time offer. Sale ends on December 15th. This offer is limited to new websites only, consisting of 3-5 pages. Initial cost of \$295, requires a \$27 monthly website hosting package. There are no contracts and you can cancel your web hosting subscription at any time.
