Eastern Area Workforce District Green Jobs Town Hall Meeting

Dear Wind SIC members,

On behalf of the New Mexico Department of Workforce Solutions and the New Mexico State University Arrowhead Center, I am delighted to invite you to participate in the Eastern Area Workforce District Green Jobs Town Hall Meeting on July 28th, 2011. The meeting will be held at The Clovis Civic Center, and begin promptly at 8:00 a.m. with an ending time of 3:30 p.m. The Eastern area workforce district plays an important role in the development of a properly skilled and educated green workforce and your participation is critical for the success of the town hall meeting.

The purpose of the town hall meeting is to bring educators, employers, and workforce development personnel together to network and discuss the employment skills and training required by green job employers in the district. The anticipated outcome of the town hall meeting is to develop a business-driven education and training mechanism for green jobs in the workforce district through this collaborative effort.

While there is no fee associated with this town hall meeting, registration is required prior to July 5th, 2011 and can be completed at www.greenjobsalbuquerque.eventbrite.com. If you have any questions, or require further information, please do not hesitate to contact me at vigalind@nmsu.edu or (575) 646-5265. I look forward to seeing you at this town hall meeting.

Sincerely,

Vickie Galindo
Director, Business Development
