# ***GIVE THE GIFT OF TIME***

Hospice of the Sandias is calling for a challenge to all companies and organizations. Get up and Get involved and represent your company or organization in our First Annual Serve-a-Thon! Much like a telethon, we are asking for donations, but rather than financial contributions, we are asking for what means the most to those we serve, time. ***Give the Gift of Time.***

Collectively our goal is to reach **40** pledged volunteer hours on December 19<sup>th</sup> 10a.m.-2p.m in a fun filled event. All participants will receive public recognition and the company or organization that pledges the most time, will receive an award and bragging rights! Prizes will be given away and lunch will be served!

To have your company or organization get involved, please call Katrina Bryant 575-935-5683. 'Tis the Season to ***Give the Gift of Time!*** It doesn't cost a thing, but it lasts a life time! Every minute counts, please call.

Hospice professionals and volunteers are answering an endless call to love their neighbors as themselves. Everyone has something to give, and at Hospice of the Sandias it is our job to create an opportunity to give it.

## **Thank you so much for your support!**
