Grand Opening of Clovis Community College Bonner Nursing Education Building on October 29th at 10AM

Clovis Community College will be hosting the Grand Opening of the Bonner Nursing Education Building on Thursday, October 29, 2009. The Grand Opening of the Bonner Nursing Education Building will serve as the Monthly Membership Breakfast for November.

2010 Monthly Chamber Membership Breakfasts

The Chamber is currently looking for member businesses to host the 2010 Monthly Membership Breakfasts. Hosting the monthly breakfast is one of the many benefits that the Chamber provides its members. Businesses are given the opportunity to expose their business to approximately 60-100 chamber members. The Monthly Membership breakfasts are a great networking opportunity and a chance to showcase your business to the community.

If your business is not large enough to host the breakfast at your facility you are welcome to host at a facility other than your own. Please call Lauren Tillman at 575-763-3435 to schedule a breakfast during the 2010 calendar year.

High Plains Fall Festival November 1-4th, 2009!

The High Plains Fall Festival is a FREE event and will take place at the Curry County Events Center. Hear from a man who grew up rubbing shoulders with the world's most famous and deranged musicians as the brother of the world's most recognized singing icon, Elvis Presley. Experience the amazement of watching the impossible unfolding before your eyes as illusionist Jared Hall twists your imagination of the possible. Be transformed in time with professional actor and drama performer Clyde Annandale. He will enable you to witness the most incredible crime in the history of humanity in ways that your memory could never erase. You will also hear from a dynamic, straightforward man who has traveled countless miles, addressing millions of people across the world. Jay Lowder's self destructive and riveting life story enables him to connect to people looking for real answers.
